### **Description**

The European Union Aviation Safety Agency (EASA) is pleased to announce the second edition of the Innovative Air Mobility (IAM) Implementation Forum.

Following the strong engagement and fruitful exchanges of the inaugural event, this new edition will once again gather authorities, industry leaders, technical experts, and community representatives to discuss the evolving IAM, UAS and U-space regulatory implementation.

Mark the event dates in your calendar. Full details regarding the programme, registration modalities (both in person and remote), and participation fees will be shared in the coming weeks

## **Registration**

Registration will open shortly. Keep an eye on this space!
