

New Certification Platform — Introduction Webinar

Online Event

Organised by: EASA

Event

Type: Webinar

Date:

16 Jun 2026

16/06/2026, 14:00 - 16:00 CET (UTC +1)

Description

Join us for an introduction to the **EASA Certification Platform**, the new application within EASA Digital Services that will replace SEPIAC for Initial Airworthiness projects.

This online event is designed for all applicants involved in Initial Airworthiness applications, including Type Certificates, Major and Minor Changes, Supplemental Type Certificates (STCs), Repairs, and ETSO Authorisations.

Participants will gain an overview of the platform and its key features.
