

## Business Jets Workshop 2027

*On-site event*

**Organised by:** EASA

### Event

**Type:** Workshop

### Date:

**27 Jan 2027 to 28 Jan 2027**

**27/01/2027**, 09:00- 18:00 CET (UTC +1)

**28/01/2027**, 09:00- 18:00 CET (UTC +1)

---

### Description

This workshop is dedicated to the discussion between the Business Aviation Industry and Authorities, with particular focus on product certification aspects, but with an eye on the global perspective (operations, maintenance and licensing) and focus on Regulations developments, challenges and activities to support the sector in the coming years.

### Target Audience

- Business Jets Manufacturers/Type Certificate Holders
- National Authorities involved in the Certification and Operations
- Main associations involved in the Business Jets' World

Additional information will be posted in the coming weeks and registration will start in September 2026.

Stay Tuned!

---

### Registration
