Description

AFCAC and EASA organised a joint webinar on the Acceleration of the Development, Production & Deployment of SAF/LCAF in Africa.

The webinar was held in the framework of an EU-funded project that aims to strengthen the collaboration with AFCAC related to the SAATM implementation.

The webinar was attended by Environment Experts and SAF/LCAF Stakeholders from African States. Date and time: 10 September 2024 at 11h00 - 14h00 (CEST) / 09h00 - 12h00 UTC.

All the presentations delivered during the webinar have been consolidated and are available for download.

Agenda

Registration

On invitation only.
