Location**Jugendherberge Köln-Deutz**

Siegesstraße 5,

50679 Cologne, Germany

[Website](#)

Description

For directions to the Agency and hotel accommodation in Cologne please also consult [this page](#)

1st day (26th march 2014) we will start at 9:00 and plan to finish at 17:15 - the workshop will take place at the Youth Hostel, Köln Deutz (information how to get there is attached in this e-mail) 2nd day (27th March) we will start at 9:00 and finish at 15:30 - the workshop will take place at [Hotel Lyskirchen](#).

The objective of this workshop is to share with all European Electrical System Experts information on the new regulations concerning electrical systems (Lithium Batteries, EWIS, HIRF and Lightning, PSS for PEDs, WLAN, IFE, GSM installations, etc) and to have an overview of the new technologies that are appearing in the electrical systems field and their certification challenges. This workshop will also be an opportunity for all concerned to meet and exchange views and experience.
