### Description

**Participation limited to EASA and National Aviation Authorities staff only (60 persons maximum).**

The objective of the workshop is to give to Authorities staff involved in EASA DOA an update on EASA Design Organisation (DO) Section internal working procedures. It will also specifically focus on several subjects of significance to be shared equally between Authorities staff and EASA Staff working in a DO environment. The format of this new workshop (planned in 1 day and half) will allow the participants to have more time for discussions and questions and answers.
