Description

The participation in this Forum is limited to representatives of airline associations, aircraft manufacturers, pilot organisations and SAFA training organisations. The meeting agenda includes presentations and open discussions to enhance the dialog between EASA, the Competent Aviation Authorities (SAFA National Coordinators) and the industry on the latest developments, revised procedures and the future changes of the SAFA Programme. This year's meeting will be focusing on the Commission Regulation 965/2012 (laying down technical requirements and administrative procedures related to air operations), in specific on Part-ARO.RAMP as well as the related AMC (Acceptable Means of Compliance) and GM (Guidance Material) as they will be applicable as of 28 October 2014.

The attendance to the forum is free of charge.
