

SAE and EASA Forum

Organised by: EASA

Event Type: Forum

Date:
23 Sep 2014

Description

The SAE and EASA Forum, will be hosted on Tuesday 23rd September in EASA. SAE will present an overview of the SAE standards program and some of the key current and future standardisation activities. The main objective being to encourage dialogue and exchange with the EASA attendees on EASA's needs in standards and supplemental services and how SAE and EASA can enhance the cooperation to better support EASA's mission and activities.
