### Description

The main objective of this workshop is to provide an open forum for the exchange of information on topics and developments which are of particular interest to Industry. The workshop should also offer the opportunity to provide feedback to the Agency.

The workshop is primarily dedicated for representatives from international Industry Associations like Association of European Airlines (AEA), Aerospace Industries Association (AIA), Aerospace Industries Association of Brazil (AIAB), Aerospace Industries Association of Canada (AIAC), AeroSpace and Defence Industries Association of Europe (ASD) and General Aviation Manufacturers Association

(GAMA). Associations should coordinate appropriate participation between their member organisations ensuring that preferably all Industry sectors are sufficiently represented.
