Description

The Maintenance and Production Department within the Flight Standards Directorate is organising a workshop on Wednesday 09 September 2015 to present and discuss a variety of technical matters. The workshop is open to all interested parties from industry and NAAs.

For organisational reasons, attendance will be **limited to two participants per organisation**.

In order to help in preparing the workshop you may submit your questions to M&P-Workshop_2015-09-09 [at] easa.europa.eu.
