FAQ n.19208

FAQs:

Acceptable Means of Compliance (AMC) and Alternative Means of Compliance (AltMoC)

Question:

Can competent authorities approve alternative means of compliance (AltMOC) ?

Answer:

Yes, provided that it is demonstrated that these alternative means provide for compliance with the rules. Regulated persons may propose an alternative means of compliance (AltMoC) to their competent authority, and, provided they can demonstrate that compliance with the rules is achieved, the competent authority may approve such AltMoC. It is important to note that this approval will be granted on an individual basis: Other applicants wishing to make use of the same AltMoC must obtain individual approval from their competent authority.
