European Union Aviation Safety Agency

# FAQ n.19284

## FAQs:

Opportunities for graduates, Recruitment

## Question:

**Can I work part-time during the Junior Qualification or Traineeship programme?**

## Answer:

**Junior Qualification Programme:** Yes. You are entitled to benefit from part-time work under certain conditions (e.g. after completion of the probation period). Check out our benefits for more details.

**Graduate Traineeship Programme:** No. All candidates who are accepted for a traineeship must work full time, which at EASA means 40 h/week and 8h/day.
