C.4 - Maintenance Organisation Approval (MOA) and Maintenance Training Organisation Approval (MTOA), C - Fees for the Approval of Organisations, Fees & Charges — FAQ

Question:

C.4.2 – What are the fees applicable to MOA and MTOA?

Answer:

Regulation (EU) 2025/2347 is applicable from 1 January 2026.

MOA

The fees for MOA are outlined in Table 11 of the Annex – Part I to(EU) 2025/2347.

The fee due is the sum of the following two elements:

- a flat fee based on the number of staff
- a flat fee based on the (highest) technical rating
- For initial organisation approval, the staff related fee applies and includes the first facility and the first training course. Second and subsequent facilities and courses are charged separately.
- For already approved organisations applying for additional facilities or training courses, each facility or training course will be charged the applicable fee.

The MOA approval fee is due per application. The MOA surveillance fee is due every 12 months from MOA issuance.

For an MOA that holds several A and/or B ratings, only the highest rating will be charged. For organisations that hold one or several C and/or D ratings, every rating will be charged the ‘C/D rating’ fee.

MTOA

The fees for MTOA are outlined in Table 12 of the Annex – Part I to(EU) 2025/2347.

The MTOA approval fee is due per application. The MTOA surveillance fee is due every 12 months from MOA issuance. It consists of the staff related surveillance fee plus the fee for each second and subsequent location.
