

| | | | |
|-------------------------|---------------|---------------------|---------------------|
| 15 OLD EU MEMBER STATES | grandfathered | EASA responsibility | |
| 10 NEW EU MEMBER STATES | grandfathered | validation required | EASA responsibility |
| NORWAY, ICELAND | grandfathered | validation required | EASA responsibility |
| SWITZERLAND | grandfathered | | EASA responsibility |
| BULGARIA, ROMANIA | grandfathered | validation required | EASA responsibility |
| CROATIA | grandfathered | validation required | EASA responsibility |

Approvals issued during one of the time periods indicated with “validation required” are not grandfathered and need validation by EASA. EASA approvals and grandfathered approvals are valid in all EU member states as well as Norway, Iceland, Switzerland and Liechtenstein.
