

European Union Aviation Safety Agency

FAQ n.19463

FAQs:

[Product specific questions](#), [ETSO authorisations](#)

Question:

Can parachutes receive an ETSO authorization?

Answer:

Personnel parachutes within the scope of EASA are only emergency parachutes for glider and aerobatics pilots. All other parachutes (recreational, tandem etc.) are under the responsibility of the relevant Member States. EASA has published a list of parachute approvals granted by NAAs prior to EASA, which fall under the EASA responsibility. Click [here](#) for details.
