FAQs:

ATCO Licensing, Regulations

Question:

Is the same ‘practical instructional techniques course’ valid for obtaining/revalidating the OJTI/STDI licence endorsements?

Answer:

The competences to be gained at the end of the practical instructional techniques course for the OJTI or STDI endorsement are the same (see AMC2 ATCO.D.090(a)(1)), but there may be differences in the assessment (see AMC1 ATCO.D.090(a)(3)) and there may also be natural differences between the courses themselves based on the applicants they are addressing.
