European Union Aviation Safety Agency

FAQ n.19523

FAQs:

ATCO Licensing, Regulations

Question:

Initial Training Centre Assessors will be granted ‘grandfather rights’, according to Regulation (EU) 2015/340, with regard to the assessor endorsement. Shall this assessor privilege be endorsed on their licence?

Answer:

Such privileges are not automatically ‘grandfathered’. It is up to the evaluation of the Member State how to convert the privileges of personnel acting as examiners or assessors for initial training (according to Regulation (EU) No 805/2011) into an assessor endorsement (according to Regulation (EU) 2015/340). Based on that evaluation, Member States may establish conversion requirements for this personnel in order to be issued with an assessor endorsement. The conversion shall be performed in accordance with the opt-out derogations.
