FAQs:

Applications for TCO a Authorisation, Third Country Operators (TCO), Regulations

Question:

How do we get our EASA TCO authorisation document when the authorisation process is completed?

Answer:

Once your technical data has been reviewed and processed (and the outcome is positive) you will receive the original EASA TCO authorisation document as hard copy and in pdf format along with the specifications that are associated with the authorisation. Furthermore, the documents will be published on the TCO web-interface..

The authorisation remains valid subject to the conditions specified in the associated technical specifications which are published electronically.
