Description

The deadline for the implementation of the new European rules for non-commercial operations with complex motor-powered aircraft (NCC) is approaching fast. 25 August 2016 is the day when the NCC rules in Commission Regulation (EU) No 965/2012 become fully applicable.

To support operators and competent authorities in having a smooth transition from the national rules to the European regulation, the Agency and EBAA are organising a workshop, inviting all the interested parties to participate in an interactive discussion.

The joint EASA-EBAA event aims to provide information and examples of best practices to support the implementation of the new European NCC rules. The workshop will enable the exchange of views and feedback between the organisers and the participants on various

implementation issues.

The discussions will focus on topics of high interest to the NCC community, such as SMS for NCC operations, oversight of NCC operations, cooperation between the State of Operator and the State of Registry, Specific Approvals for NCC operations, pilot-related issues from an NCC perspective.

We welcome all participants who would like to attend an interactive and informative event.

Registration closed – fully booked

For your financial purposes, please note that the Agency can only issue a receipt of payment, not an invoice for your attendance to this event.

Cancellation and Refund Policy

Cancellation notifications must be sent as soon as possible in writing to [air_ops \[at\] easa.europa.eu](mailto:air_ops@easa.europa.eu).

Cancellation of an accepted registration can be made until Friday, 26 February 2016 (inclusively) and will incur a 25% non-refundable administrative fee per cancelled registration. Delegates who request a cancellation after this date or delegates who fail to attend without prior notice are liable for the full attendance fee. Refunds of fees will be made after the workshop.

Accommodation and travel arrangements

Participants need to take care of their accommodation and travel arrangements themselves.

For information on accommodation in Cologne, please visit the booking platform [ehotel](#). Enter “EASA” in the field “Reiseziel” and select “Europäische Agentur für Flugsicherheit (EASA), Köln, Deutschland” to obtain special rates.

Contact

Any question should be addressed to [air_ops \[at\] easa.europa.eu](mailto:air_ops@easa.europa.eu).
