

Helicopter Ditching and Water Impact Occupant Survivability Workshop

Organised by: EASA

Event

Type: Workshop

Date:

13 Apr 2016 to 14 Apr 2016

Description

- Starting 13 April 09h00
- Ending 14 April 17h00

Meeting room 03.019

Introduction

We are pleased to invite you to attend the **Helicopter Ditching and Water Impact Occupant Survivability Workshop** to be held at EASA premises in Cologne, Germany.

The objective of the workshop is to provide the participants with an overview of the Notice of Proposed Amendment (NPA) resulting from the rulemaking task RMT.0120 'Helicopter Ditching and Water Impact Occupant Survivability' and to promote a common understanding and a forum for discussion of the proposed regulations.

The NPA will be posted for consultation on the Agency's website prior to the workshop.

Registration

To register for this workshop, you are kindly asked to complete the attached registration form and return it via e-mail to CT7-Workshops [at] easa.europa.eu by 07 April 2016. The workshop will only be accessible to registered participants who will receive confirmation of their participation.

Accommodation and travel arrangements

Participants need to take care of their accommodation and travel arrangements themselves. EASA is not able to cover for neither of them.

Participants to the workshop can make use of other EASA corporate rates at hotels in Cologne.

Preferential rates are available via the booking platform [ehotel](#)
