People from the Industry are expected to propose topics of discussion by accessing an online form at this [link](#) (Please do not write emails to the focal points for this reason).

Deadline for submitting any proposal is set **on 07.10.2016** to allow the necessary coordination among mediators and to integrate the team as necessary.

Lack of topics for a certain group may result in the cancellation of the related Side Meeting.

People interested to join a thematic group are welcome to express their interest to participate to the group focal point.

The outcome of Side Meetings will be presented during the second day of workshop [Plenary Session](#).
