Description

Day 1: 09:30 - 18.00

Day 2: 09:30 - 12.00

The participation in this forum is limited to representatives of airline associations, aircraft manufacturers, pilot organisations and SAFA training organisations. The meeting agenda includes presentations and open discussions to enhance the dialog between EASA, the Competent Aviation Authorities (SAFA National Coordinators) and the industry on the latest developments, revised procedures and the future changes of the Ramp Inspections Programme.

This year's meeting will be focusing on the two ongoing projects regarding the use of manufacturer data and the further enhancement of the risk based approach in the Ramp Inspections Programme.
