

Forum on Regional Safety Oversight Organisations (RSOOs) for Global Aviation Safety

Date:

22 Mar 2017 to 24 Mar 2017

Description

The forum on Regional Safety Oversight Organisations (RSOOs) for Global Aviation Safety will be held in Ezulwini, Swaziland from 22 – 24 March 2017. Jointly organised by EASA and ICAO, the forum will bring together all parties that have a stake in the establishment and management of RSOOs, in order to promote the concept of regional cooperation for the purpose of enhancing Global Aviation Safety in the regions.

Among other issues, the forum will cover the following:

- ICAO's update on activities and policies related to RSOOs
- RSOO update on present situation
- Benefits and challenges of RSOOs
- Financial aspects and sustainability
- Relationship between RSOOs and its members, sharing real experiences
- Pooling of resources, processes, staff
- Peer-review, common training
- Promoting the benefits of RSOOs on national, bilateral, regional and international levels
- Creating a cooperative forum for RSOOs
