

FAQ n.21602**FAQs:**

One-off notification flights, Third Country Operators (TCO), Regulations

Question:

What is a one-off notification?

Answer:

Article 3 of the so-called TCO regulation requires all third country operators engaging in commercial air transport operations to EASA Member States to hold an authorisation issued by EASA.

One-off notification is referring to article TCO.305 “Non-scheduled Flights – one-off notification” of the TCO regulation.

This article provides a way to derogate from Article 3 in order to perform air ambulance flights or a non-scheduled flight or a series of non-scheduled flights to overcome an unforeseen, immediate and urgent operational need without first obtaining an authorisation issued by EASA.
