

**FAQs:**

[One-off notification flights](#), [Third Country Operators \(TCO\)](#), [Regulations](#)

**Question:**

**What type of operations may be performed under a one-off notification?**

**Answer:**

According to article TCO.305, the following operations may be conducted under a one-off notification:

1. Flights that are performed in the public interest, to address an urgent need, such as humanitarian missions and disaster relief operations;
2. Air ambulance flights: The use of an aircraft to move sick or injured patients between healthcare facilities and/or deliver patient medical care.
