Question:

How long is a ‘one-off notification’ valid?

Answer:

It is important to remember the following critical milestones in the ‘one-off notification’ process:

The operator must formally apply to the Agency for a standard TCO authorisation **within 14 days** after the date of the ‘one-off notification’; and

Flights may only be performed under the ‘one-off notification’ for a maximum period of **twelve (12) consecutive weeks** (= 84 calendar days) following the date of the ‘one-off notification’, or until such time as the Agency has taken a final decision on the formal TCO application (see point 1. above).
