European Union Aviation Safety Agency

FAQ n.21808

FAQs:

ATCO Licensing, Regulations

Question:

Regulation 805/2011 requires one or more rating endorsements, including TCL and OCN, to be added to an ACS rating. However, Regulation 2015/340 does not appear to allow for both the TCL and OCN ratings to be added to an ACS rating at the same time.

Answer:

EASA acknowledges that both TCL and OCN rating endorsements could be associated to the ACS rating at the same time. As this amendment will require a change to the IR, EASA will address it with its next Opinion to EC resulting from rulemaking activities on ‘Maintaining of ATCO IR/AMC/GM’.
