European Union Aviation Safety Agency

FAQ n.21846

FAQs:

Acceptance of applications from foreign design organisations, Design Organisations

Question:

I am a foreign design organisation and would like to apply directly to EASA for a Minor Change or Repair approval in accordance with 21.A.92 (b) of Regulation 748/2012. What conditions do I need to meet?

Answer:

No further conditions need to be met.
