FAQ n.21900

FAQs:

Supplemental Type Certificates (STC) , Applications for product certification/validation of foreign certificates, Certification of products and organisations

Question:

Where can I find a list of Supplemental Type Certificates (STC) approved by EASA?

Answer:

EASA publishes a list of its approved STCs on the EASA website.

The EASA STC list compiles Supplemental Type Certificates issued by EASA since 03/06/2004 and is updated on a weekly basis.

STCs issued before this date or grandfathered STCs are not included in the list.

To request a copy of an STC, please contact stc [at] easa.europa.eu (stc[at]easa[dot]europa[dot]eu).
