FAQ n.21901

FAQs:

Supplemental Type Certificates (STC) , Applications for product certification/validation of foreign certificates, Certification of products and organisations

Question:

Why can't I find an STC on the EASA STC List?

Answer:

The Agency applies its best efforts to ensure completeness of this list.

The EASA STC list compiles Supplemental Type Certificates issued by EASA since 03/06/2004. All EASA STCs are published except:

- 'Grandfathered' STCs issued by the EU Member States prior to 29/09/2003.
- STCs issued by Switzerland (FOCA) prior to 2007
- Recently issued STCs may not yet appear on the list
