FAQ n.21933

FAQs:

Certification Support for Validation (CSV), Applications for product certification/validation of foreign certificates, Certification of products and organisations

Question:

The validating authority is asking for a re-classification to Category “Medium”/”Large”. What do I need to do?

Answer:

In case the technical investigation is more complex than foreseen in the beginning, the validating authority may ask for a re-classification from Category “Small” to Category “Medium” or “Large”. In order to reflect this re-classification in our EASA system also for invoicing purposes, we would need your active involvement and kindly ask you to submit a revised EASA form FO.CSERV.00041 to Validation.Support [at] easa.europa.eu (Validation[dot]Support[at]easa[dot]europa[dot]eu). Please complete the dedicated box 3.4 ‘Service Package’ on page 2.
