Description

Day 1: 13:00 – 17:00

Day 2: 09:00 – 17:00

Day 3: 09:00 – 13:00

EASA Maintenance Review Board (MRB) Workshop

The workshop is an interactive forum to discuss MRB and related topics between

EASA, manufacturers and operators.

The workshop is the opportunity to share information and to recommend improvements related to the MRB process and the MSG-3 tool, within the EU or internationally.

Scope of discussion during this meeting will be focussed not only on MRB process and MSG-3 tool as they affect manufacturers and operators but also on means of publication, control and management of scheduled maintenance instructions and interface between the MRB process and the Certification process.

Changes in the EASA organization including MRB future developments (e.g. MRB process under the EU/USA BASA) will also be communicated.

NOTE: for logistic reasons the participation in this workshop is by INVITATION ONLY. If you have interest in participation please contact Mr Antonino Levantino (antonino.levantino [at] easa.europa.eu).
