FAQ n.21951

FAQs:

Maintenance Organisations (MOA) / Maintenance Training Organisations (MTOA) , Applications for organisations, Certification of products and organisations

Question:

We are an ANAC RBAC 145 Maintenance Organizations located in Brazil and would like to apply for an initial application to EASA Part-145

Answer:

For more information you can visit our page EASA Part-145 Organisations located in Brazil and please review especially Maintenance Annex Guidance (MAG) EASA-ANAC.

It is required to complete EASA FORM 18 which should be submitted to your supervising ANAC Airworthiness Regional Office. Please contact your supervising ANAC Airworthiness Regional Office for any further questions.
