

FAQ n.22065

FAQs:

Validation of FAA STCs classified as Basic and limited to one serial number, General Aviation

Question:

What document do I receive?

Answer:

The application form FO.CERT.00134, “EASA validation of FAA Supplemental Type Certificate classified as Basic and limited to one serial number” contains on page 3 the EASA statement and approval number which will be signed, dated and stamped.

The statement below is proof of EASA validation. Please place this page in the aircraft log.

6. EASA Statement - To be filled in only by the European Union Aviation Safety Agency		
The FAA Supplemental Type Certificate specified in section 3 is classified as Basic and hereby validated for the aircraft identified in section 4. This validation is limited to the serial number under 4.1.		
EASA Approval Number		
Date	Name	EASA Signature
