European Union Aviation Safety Agency

FAQ n.22601

FAQs:

Part-SPO, Air Operations, Regulations

Question:

Is it permissible for me to determine myself whether the operations I conduct are eligible for the alleviation of SPO.GEN.005 (c)?

Answer:

Limited operations - Reference: Reg. (EU) No 965/2012 on air operations: SPO.GEN.005 (c)

The purpose of SPO.GEN.005 (c) is to alleviate certain flights that might otherwise be qualified as commercial (where compliance with Part-SPO is required) to comply with the less demanding rules of Part-NCO.

The operator must check with the competent authority whether the operations it conducts are eligible for the alleviation of SPO.GEN.005 (c). The competent authority makes the final determination.
