FAQ n.22611

FAQs:

Part-SPO, Air Operations, Regulations

Question:

How is a ramp inspector supposed to know the nature of a particular SPO flight (commercial or non-commercial)?

Answer:

Declaration - Reference: Reg. (EU) No 965/2012 on air operations: ORO.DEC.100

A declaration is not meant to provide information about the nature of a flight at a particular moment. The ATS flight plan, if applicable, and/or the Journey log contain information on the nature of a particular flight.
