---

### Description

**Participation fee:** 80 EUR

**Registration:** Closed

This workshop is addressed to all interested stakeholders such as operators, CAMO, maintenance organisations, design approval holders, who want to have a better understanding of EASA processes related to the publication and/or adoption of Mandatory Continuing Airworthiness Information (MCAI), i.e. Airworthiness Directives and non-MCAI, i.e. Safety Information Bulletins (SIB).

For reaching this objective, during the one-day Workshop, there were a number of exercises to eliminate ambiguity when reading safety publications.
