Description

Date & time

26/06/2018, 09:30 - 18:00

Description

Workshop (focused consultation) on sailplane licensing requirements ('rulebooks')

In June 2018, EASA will hold two workshops including focused consultations on the results of the rulemaking tasks (RMT) RMT.0654 (Revision of the balloon licensing requirements) and RMT.0701 (Revision of the sailplane licensing requirements). The aim of these workshops is to present the revised draft licensing requirements for balloons and sailplanes in the newly developed 'rulebooks' and to discuss possible open items identified. The outcome of these workshops will be taken into consideration by EASA when preparing the Opinions related to RMT.0654 and RMT.0701 the publication of which is envisaged for October 2018.

The workshops will take place on:

- 21 June 2018: RMT.0654 (balloon licensing requirements)
- 26 June 2018: RMT.0701 (sailplane licensing requirements)

Registration

Registration is closed.

Participants to the workshop are not subject to the reimbursement of travel costs or any additional entitlements.
