

European Union Aviation Safety Agency

## FAQ n.45478

### FAQs:

[Air Operations for GA, General Aviation](#)

### Question:

**What does Part-NCO mean for GA pilots? Can I share flying costs between my friends, are there restrictions covering carrying dangerous goods in GA flights, when do I need to use supplemental oxygen and can I perform special operations (e.g. aerial advertisement).**

### Answer:

See [Flying in the EU OPS leaflet](#).
