

## 2018 FAA-EASA International Safety Conference

*Achieving Safety Success in a Connected World*

**Date:**

**19 Jun 2018 to 21 Jun 2018**

---

### Description

The 2018 FAA-EASA International Aviation Safety Conference will be held in Washington D.C. from 19-21 June 2018.

The conference will bring senior aviation professionals from regulators, manufacturers, airlines and associations together from all world regions to discuss global aviation safety issues from the perspective of both the regulators and industry.

More information, including registration details, can be found [on this dedicated website](#).
