European Union Aviation Safety Agency

FAQ n.47560

FAQs:

ORO.FTL, Part-ORO, Air Operations, Regulations

Question:

Applicability of Subpart FTL (see also ORO.AOC.125): Does Subpart FTL apply in relation to non-revenue flights (ferry flights)?

Answer:

Any flight conducted by an AOC holder falls under Subpart FTL with the exception of:

- some non-revenue flights such as: non-commercial, test, training, delivery, ferry and demonstration flights;
- air taxi, single pilot and emergency medical services operations by aeroplane; and
- CAT operations by helicopter, including HEMS.

However, aircraft positioning conducted by an AOC holder, immediately before or after a CAT sector counts as FDP and sector.
