

FAQ n.47599**FAQs:**

ORO.FTL, Part-ORO, Air Operations, Regulations

Question:

Commander's discretion ORO.FTL.205(f), (see also ORO.FTL.205 (d)): 1. What is the maximum FDP extension allowed under commander's discretion? 2. How would commander's discretion apply when the FDP of a non-augmented crew has already been extended in accordance with ORO.FTL.205 (d))?

Answer:

1. Up to 2 hours for two pilot crew and up to 3 hours for augmented crew.

2. For a two pilot extended FDP operation, the use of commander's discretion is always based on the maximum daily FDP table ORO.FTL.205 (b) (1).

For example, when 1 hour has already been added to the maximum daily FDP in accordance with ORO.FTL.205 (d), then only 1 hour is left for commander's discretion.
