Question:

Consecutive night duties CS FTL.1.205(a)(1): What does ‘consecutive’ mean in the context of the requirements and limits of CS FTL.1.205?

Answer:

‘Consecutive’ is referring to two night duties only separated by a rest period.

Two night duties would not be considered as ‘consecutive’, if there is a recurrent extended recovery rest period between them or if they are separated by rest periods surrounding a non-night duty
