FAQ n.47621

FAQs:

ORO.FTL, Part-ORO, Air Operations, Regulations

Question:

Delayed reporting CS FTL.1.205(d)(1): Is it possible to inform crew members of a delay without giving the new reporting time?

Answer:

No. An actual reporting time must be given when the crew member is informed that the delayed reporting procedure is activated.

If an operator does not have a delayed reporting procedure, then it can’t be used.
