ICAO-EASA Forum on Civil Aviation in South East Asia

Event

Type: Forum

Date:

12 Sep 2018

Location

ICAO Asia Pacific Office

0900 252/1 Vibhavadi Rangsit Rd, Chatuchak,

Bangkok 10900

Thailand

Description

The purpose of the forum is to review the current challenges and opportunities facing civil aviation in South East Asia and to help propose a way forward, with particular reference to two other important regional meetings concluded, i.e. APANPIRG/29 and RASG-APAC/8 and the following day's COSCAP-SEA Steering Committee Meeting and EU-South East Asia Aviation Partnership Project Management Board Meeting.

This dialogue will bring together high level officials, including Directors General of Civil Aviation, aviation industry leaders and development partners, who will address a broad spectrum of topics relevant to aviation development in South East Asia, such as the ASEAN Single Aviation Market (ASAM), Seamless ASEAN Sky and emerging risks such as cybersecurity and drones.
