Description and registration

EASA invites aviation stakeholders to the 12th SMICG Industry day, whose main theme will be “**SMS made simple**”.

A few slots are still available for Industry speakers, ready to share their experience.

If you are interested in presenting your organisation’s experience, please read [Details for](#)

[potential speakers'](#) below.

Attendance is limited to Industry associations / organisations on a “first come, first served” basis.

Participation is free of charge.

Due to room capacity, Industry attendance will be limited to maximum two persons (one person recommended) per association / organisation (plus one additional person for those organisations offering to deliver a presentation).

If you would like to register, please send an email to [safety.management \[at\] easa.europa.eu](mailto:safety.management@easa.europa.eu) ([safety\[dot\]management\[at\]easa\[dot\]europa\[dot\]eu](mailto:safety[dot]management[at]easa[dot]europa[dot]eu)) before 31 October 2018.

You can book a hotel with EASA corporate rates [via ehotel](#).

SM ICG is a group of 18 aviation regulatory bodies, established in 2009 to promote a common understanding of safety management principles and requirements, facilitating their application across the international aviation community. The group meets for a full week twice per year.
