

Open meeting on 'The role of EASA in the training of aviation safety regulations'

Date:

27 Apr 2005

Description

On 27/04/2005, the Agency will hold an open meeting on 'The Role of EASA in the Training of Aviation Safety Regulations'. Envisaged participants include all current or future training providers in the field of aviation legislation. The event will provide a forum for stakeholders to express opinions on the possible involvement of EASA in this training activity.
