

## **Regional workshop in Ireland on Part-145 as well as on Part-M for aircraft involved in commercial air transport**

**Date:****03 Nov 2005**

---

**Description**

Ireland

One of several Part-145/Part-M workshops organised locally throughout Europe during 2005 Hosted by the Federation of Aerospace Enterprises in Ireland and jointly organised with EASA. The objectives of this workshop are to discuss issues surrounding the implementation of Part-145 in Europe, to exchange views and to facilitate personal contacts between stakeholders and EASA. Moreover due to the entry into force of Part-M for aircraft involved in commercial air transport next September, this workshop also needs to address this Part.
