**Description**

Aviation House  
Gatwick Airport  
United Kingdom

One of several Part-145/Part-M workshops organised locally throughout Europe during 2005. Hosted by CAA-UK and jointly organised with EASA. The objectives of this workshop are to discuss issues surrounding the implementation of Part-145 in Europe, to exchange views and to facilitate personal contacts between stakeholders and EASA. Moreover due to the entry into force of Part-M for aircraft involved in commercial air transport next September, this workshop also needs to address this Part.
