Description

On 13/11/2006, EASA will host a workshop on the Bilateral Agreement between the European Community and the United States of America on civil aviation safety (BASA EC/US). The general objective of this workshop is to discuss issues surrounding the implementation of the BASA EC/US in Europe, and in particular the provisions of the agreement concerning airworthiness and environmental certification of aeronautical products (Annex I- IPA) and maintenance of aeronautical products (Annex II - MIP).
